Fall Semester Exam Schedule, December 16 -19, 2024

- **No exam may be administered before the scheduled exam day.** An exam may be administered after the scheduled exam day with the Principal’s approval.
- Seniors who have an average of 90 or higher, no unexcused absences per class per semester through Friday, December 13, and have not been suspended, including ISS, are exempt from exams.
- All students are expected to be at school all day during the examination schedule. Students who are not present, including students exempt from exams, will be counted as absent.
- A student who does not take a required exam will not receive credit for the course until the exam is taken. Any student who is not exempt and misses an exam will receive an “I” as their exam grade and semester average. The “I” can only be removed when the student takes the exam. The grade will not be changed to “O” at any point unless the student physically sits for the exam and does not correctly answer any test item.
- **All students will remain in their classrooms during the entire exam period. No student will be permitted to leave early during an exam period.**
