Facility Planning Information

- Today, November 5, 2024, our district is on the ballot with a bond issue that will fund facility improvements, including the construction of a new Canfield Village Middle School and renovations to Canfield High School, C.H. Campbell and Hilltop Elementary Schools. The bond issue represents a total cost of $64,190,000 with a 3.7-mill levy, amounting to a cost to residents of $10.79 per month per $100,000 of appraised property value. The full plan and detailed financial information are available on our district website at canfieldschools.net/november-2024-bond-issue where we outline the bond issue, address any questions that have been presented, and explain the new plan.
