Q: Are both the ISP1 and ISP2 RFPs in reference to the same address?

A: Yes

Q: If so, is this the correct service address: 250 Howard Street Marietta, GA 30060

A: Yes

Q: Are you simply requesting two separate bids for two sources of internet access at this site since there are two RFPs-Yes Would you like there to be diversity between the proposed solutions in response to each of these two RFPs?

A: Yes

Q: Would bids for a 24-month term with one 12-month extension be considered as well?

A: No, per state guidelines, we are not suppose to enter into contracts longer than 12 months.
