

2025-26 Family Calendar

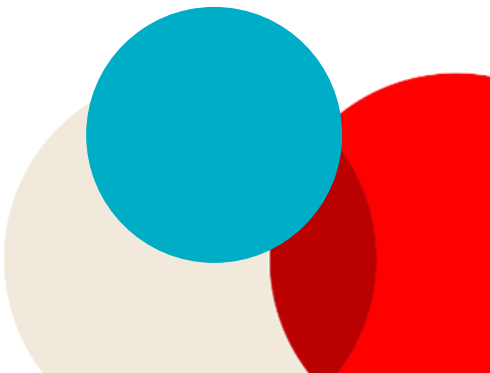

November 7, 2024
Julie Nielsen, Superintendent

Overview

- Calendar is required to include 165 days of instruction for a student in grades K-12. We are required to provide a minimum number of annual instructional hours.
- An instructional day is a day during which all students in a particular grade and school are required to attend and participate in school activities for the full day together.
- Days in which school is canceled entirely are not considered instructional or membership days
- The current teacher contract requires 183 duty days.

A large yellow circle is positioned in the top left corner of the slide.

When drafting the school calendar we:

- Meet the requirements in terms of days/hours students need to be in attendance.
 - Are considerate of the impact of our school calendar on families.
 - Look at the scheduling of Spring Break with surrounding districts.
 - Take into consideration holidays in thinking about days where students and staff will be off.
 - Plan for staff professional development and workshop days.
- 
- Three overlapping circles are located in the bottom right corner. The largest circle is light blue, and it overlaps with a smaller red circle and a smaller orange circle.
