TOPIC

NOTES

Jeff Perez-Assistant Superintendent	Unable to attend-Conveyed information; 10 water fountains at the HS currently in operation with more pending.
Martie Aleman- Lead Nurse for BSISD.	Introduced new members; Reviewed Minutes From Last Meeting. Approved by all in attendance. Follow-up on School Base Clinics; Flu shot clinic being successful. HB 3908-Fentanyl-Related/Narcan on campuses- In progress
Heidi Wagner- Principal	In response to student's questions; Mentioned TEA website has a multitude of information on Fentanyl/Narcan. Requested ideas from Student Council Members regarding student survey with possibility of student led committee being implemented.
Misty Henson-Curriculum	In response to student's questions; Discussed Counselors be system for returning students. Explained difficulties of securing law enforcement such as funding and police shortages.
Kristi Cartensen-Social Worker	In response to washer/dryer request to be placed in Steer Pantry. Explained Life Skills are able to provide washing/drying for a small fee. Health clinics can provide personal care items. Steer Pantry could be contacted for clothing items.
Student Council Members-Ideas/Suggestions Ashley Melendez Vanesa Ruiz Isabella Luster Taylor Cavazos Bergan Pinkley Cloe Viasana Jade Valenzuela Reagan Heffle Kenna Taylor Marcus Paredes Vany Ramirez Sharon Wancy Avery Williams Brogan Walker Gavin Barley	Questioned; How to inform the student body of availability of Narcan. Could Narcan be placed in easily assessable areas (with aeds and/or in each classroom)? Possibly an organized assembly? Requested a washer/dryer be in Steer Pantry. Voiced concerns over fair punishment and not being heard. Requested support system be implemented for students who have been punished. Complaints of ILead being immature. Requested Police presence on all

	campuses. Trying to work on the stigma of drug use as well being fair with discipline. Discussed the need for an anonymous system for obtaining clothing such as a central drop-off.
