The Red Hawks' Nest Project: A place where Iroquois Intermediate students learn, play and grow outdoors!

In September 2024 the Iroquois Central School District welcomed the 4th & 5th graders to the Intermediate School on the Main Campus. This is an ELEMENTARY school with 300+ nine & ten-year-olds.

Let's improve the Intermediate School recess area to be more conducive to hosting events, activities, or open-air learning. It lacks shade, leveled blacktop, and resources to create a meaningful experience.

Play spaces at the Primary Schools have been possible due to our generous community. Securing an adequate outdoor play space for the Intermediate School students will require that same community support.

The Red Hawks' Nest Project, in partnership with The Kiwanis Club of Elma, aims to provide Iroquois Intermediate School with:

- A Pavilion
- All-Season Picnic Tables
- Additional Equipment
- 2 Pickleball/Handball Courts
- 2 Four Square Courts
- Basketball 1/2 Court

*Please consider donating by March 1st, 2025. **No amount is too small**, and your generosity and support are truly appreciated!*

LEAVE YOUR LEGACY DONATE A BRICK

AND FOREVER LEAVE YOUR MARK AT THE RED HAWKS' NEST PROJECT!

Be a part of something lasting by donating a personalized brick to **support our fundraising efforts**. With our "Donate a Brick" campaign, you can leave your mark and create a long-lasting tribute for yourself, your family, or in honor of someone special.

Each brick will be beautifully engraved and placed in a dedicated area, becoming a permanent piece of our community's history. Your contribution will directly support The Red Hawks' Nest Project, helping us create a better outdoor environment for our II students.

Don't miss this unique opportunity to be a part of our Project-one brick at a time. **Select your brick and help us pave the way for future generations! Questions? Contact Lauren Cashmore at TheRedHawksNest@yahoo.com.**
