Policy Statement

- Summer programs may be provided for students in grades K-12 to provide opportunities for enrichment and intervention and for students in grades 9-12 to provide opportunities for credit recovery.
- Summer programs shall be comparable in quality to programs offered during the regular school year.
- Intervention/Acceleration courses at the elementary levels and make-up and review courses at the secondary levels shall provide opportunities for students to qualify for promotion and/or credits in subjects where previous work has not met standards.
- Summer programs shall be financed by fees, by the government or outside agencies, or by financing determined by the Board.
- Fees charged to resident and non-resident students shall be subject to Board approval.
- Summer curriculum shall be established to meet student needs in accordance with state regulations.
- The District has the right to cancel announced summer courses for which there is insufficient enrollment and to refund fees.
- The District has the right to dismiss a student for disciplinary reasons with no refund of fees.
- Students attending summer courses shall receive grades for work completed. Grading shall be in accordance with established guidelines used during the regular school year.
- The Superintendent shall establish procedures for recording summer program grades on student records.

Responsibility

The Superintendent shall be responsible for compliance.
