Monthly Updates

Amazing things ARE HAPPENING

- **Apple Fest** Celebrate National Apple Month all October long with our Apple Fest promotion. Our culinary team has created mouthwatering savory and sweet recipes highlighting apples to feature on your menus throughout the month. We also encourage you to work with your produce company and local orchards to set up a table or display during the month and feature a variety of apples for students to sample.

- **National School Lunch Week** October 14-18, 2024 with this year's theme, "School Lunch Pirates Find Your Treasure."

- **VegFest** An annual celebration of vegetable and plant-forward recipes during National Vegetarian Month every October. This is a perfect time of year to celebrate vegetables!
