| <a href="#">BLD24-01107</a> | 2 ABBOTT RD, Ellington, CT 06029          | Issued | 10/2/2024   | \$0.00             | \$0.00            | The PBC and BOE intend to place a detached 20' X 30' Structure on the property for land and maintenance equipment storage. The installation will coordinate with the Windermere Elementary school new building construction and renovations. The style of the proposed building will be an Elite Dutch T-1-11 or equal excluding windows on the lower level of the building and maintaining a sliding barn door and a pedestrian door. for access. The site will be prepared by Gerber Construction and will include a compacted stone base for support as well as a paved asphalt driveway set behind a rollover curb, and sidewalk to allow access of equipment from the building to the sidewalks and parking lot. The site fencing indicated on the attached plan will abutt the shet on both sides adjacent to the barn doors. |
| <a href="#">BLD24-01146</a> | 9 RIDGE DR, Ellington, CT 06029           | Issued | 10/2/2024   | \$3,800.00         | \$155.00          | Add to existing porch a 10'X 13'5" deck.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
