

Scottsdale Math & Science Academy Student & Parent Information Meeting

**Please join us on Wednesday, November 13,
2024, in the Saguaro Innovation Center**

To learn more about our outstanding Math & Science Academy
at Saguaro High School

6250 N. 82nd Street, Scottsdale

This is a rigorous and unique program emphasizing Math and Science with an infusion of technology. The program is designed specifically to meet the needs of academically motivated and dedicated students.

Who should attend ...

All 8th grade students and their parents interested in STEM (Science Technology, Engineering & Mathematics) are encouraged to attend this meeting to learn more about the Math & Science Academy at Saguaro High School.

Also:

- Current Sophomores and their parents who are considering applying for the upper-level Academy Recognition Program.
- Students and their parents who are considering becoming a member of the SMSA.
- Parents interested in supporting the Academy and its students, or those with questions about events and activities supported by the Academy.

What and when ...

The program will start at 7:00 p.m. and provide information to include initial application to the Academy Cohort Program, Levels of Recognition information, and the requirements and application process to the Commended Scholar and Distinguished Graduate Program.

This meeting follows the November Math and Science Academy Parent Group meeting which starts at 6pm.
