Deborah Cooney, [dcooney@dwright.global](mailto:dcooney@dwright.global)

Sue Prinsloo, [sprinsloo@dwright.global](mailto:sprinsloo@dwright.global)

Hee-Jin Yim, [hyim@dwright.global](mailto:hyim@dwright.global)

## MISSION & PRINCIPLES

Dwight Global Online School is dedicated to igniting the spark of genius in every child. Kindling their interests, we develop inquisitive, informed, self-aware, and ethical citizens who will build a better world. Each Dwight School rests on three pillars: personalized learning, community, and global vision.

## DWIGHT GLOBAL ONLINE SCHOOL

Founded in 2014 as a pioneer in online education, Dwight Global offers students worldwide a college-preparatory experience equivalent to that of a brick-and-mortar independent school, but with greater accessibility. Dwight Global attracts students dedicated to making an impact in their communities, as college/professional athletes, pre-professional dancers, musicians, researchers and entrepreneurs. They are drawn to Dwight Global for its rigorous academics, including extensive AP and IB offerings, synchronous classes offered in fifteen time zones, a diverse student body, and rich opportunities for connection and exploration.

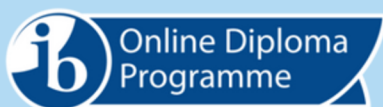

## THE DWIGHT SCHOOLS

Founded in 1872 in New York, The Dwight Schools is a world-renowned network of independent International Baccalaureate World Schools with a combined student body representing over 50 nationalities. Dwight has brick-and-mortar campuses in New York, London, Seoul, Shanghai, Dubai, and Hanoi; as well as a campus in the cloud, Dwight Global Online School. Each campus is independent, yet connected to the network's central administration in New York, ensuring that all students receive an equally excellent, personalized educational experience.

## THE DWIGHT NETWORK

Dwight Global students may cross-register at any Dwight brick-and-mortar campus, and students at four of our Dwight campuses are currently enrolled in courses through Dwight Global. **Students residing in New York have the opportunity to earn a diploma from Dwight School New York upon completion of graduation requirements.**

Dwight Global received international recognition when it was selected by the International Baccalaureate in 2022 as the first partner for this pilot. Dwight Global is also a member of the World Academy of Sport, an international organization dedicated to providing highly competitive athletes the time and space to excel in both academics and athletics. The WAOs gives top national and/or international athletes access to the IB Diploma program through a unique three year pathway.

# INQUIRY AND INNOVATION IN SCIENCE

At Dwight Global, our science labs blend live, hands-on activities with advanced simulations to foster engaged, curious, critical-thinkers. Many of our live labs can be performed with common household items, making science accessible for students at home. Additionally, during our in-person STEAM weekend event, students complete a number of live labs, where they practice essential skills and observe scientific phenomena firsthand.

A pioneer in adopting Virtual Reality (VR) in the K-12 educational landscape, Dwight Global is revolutionizing how students engage with science. Curated by faculty, VR labs provide an immersive and interactive environment with two modes of participation: a single-user play mode that supports mastery-based learning and individual practice, and a collaborative group mode, fostering critical skills such as communication and teamwork alongside scientific practical skills.

## EXTRACURRICULARS

By creating spaces for students to connect and thrive beyond academics, Dwight Global fosters holistic student development, leadership, collaboration and global engagement with over 35 clubs and extracurriculars. Extracurricular opportunities include National Honors Society, Global Issues Network, and DECA, as well as a variety of affinity organizations.

## 2024-25 DWIGHT GLOBAL UPDATES AND GPA CALCULATION

### GPA Reporting:

Dwight Global offers two very rigorous paths for students: our AP and IB curriculums. Given that IB students and AP students are now assessed on two different grading scales, we have decided to no longer report official GPAs on our transcripts. We also do not report GPA distributions given the unique nature of each curriculum and the diversity of our student body. Students may enter Dwight Global throughout their high school journey, including senior year.

### Grade Reporting

- Dwight Global does not add weight to any courses nor does Dwight Global report an official GPA on transcripts.
- The Class of 2025 IB Cohort now will be assessed based on the 1-7 IB scale to better reflect their progress within the IB curriculum. Dwight Global does utilize progressive grading. We also provide a 1-100 conversion scale on our transcripts.

## STUDENT STATISTICS

### AP CURRICULUM

| Subject   | Grad Req | Upper Level Coursework                                                                                                                                                                                       |
