CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Heyy Kate,

Below are all the HHS "repairs" we still have a CMC. They are all in rough shape and not worth repairing EXCEPT the Jupiter piccolo. I can revisit that with Dave. I think that was salvageable!

Oboe (no serial)
Alto Jupiter A06908
Piccolo Bundy 8692
Piccolo Jupiter UD03033
Clarinet Vito 11734

And the 5 Tenors that you already knew about:

Tenor Bundy 834951
Tenor Yamaha 062594
Tenor Bundy 574822
Tenor King 390618
Tenor King 415388

Let me know if you want me to bring these back to you guys are something? I'll let you know what Dave says about the Jupiter Picc.

Thanks!

Jeanne Curtiss
