

**NOTES - Campus Improvement Committee Agenda
October 30, 2024, Library, 4:00pm**

➤ **Sign in and Review Norms**

1. Bring snacks
2. Respect our time and be on time
3. Stay on topic

➤ **Planning:**

- Review Campus Improvement Plan with the NJE Committee and make progress notes/percentages for November. - reviewed all goals and strategies. Updated with percentages and discussed safety issues. Clarified safety issue with red X on name badges and the formality of what that means. Admin encouraged council members to share their insights and suggestions, emphasizing the importance of collective input in shaping effective strategies for the district's growth. The group will focus on the District Improvement Plan and potential growth areas going forward.
- Review School Systems Checklist - we will review
- Review Plan and Progress [HERE](#)

➤ **Budgeting:**

- Spending is outlined in the Campus Improvement Plan
- Needs at this time? Take suggestions - we paid for a new cafeteria table and the laminator is replaced. We purchased Accelerating Success for our science teachers.
- Save money
 - Think about all the purchases made and outlined in our plan. Are we using them with diligence and often? - look into chalkboard replacements.
 - Garcia's room - needs more cubbies - look at motor lab cubbies and maybe put in a work order.
 - New closet built with wooden shelves and bookshelves - added to the library closet (safety and a place to test students).
 - Professional Development Emotional Poverty added to staff meetings
 - [The Anxious Generation](#)
