GETTING COMFORTABLE WITH THE CRIER

The College Counseling team is excited to welcome our Upper School families and students to the 2024-2025 academic year.

As we continue to send our monthly newsletter, please pay special attention to the column on the *left*, which always has the upcoming standardized test dates and any other “Save the Dates” for forthcoming College Counseling-related programs and events. Additionally, any bolded, underlined text in [this color](#) is a hyperlink; we may use this for a specific article or a direct link for a college website for you to explore.

ANNUAL FALL PARENT MEETINGS WITH COLLEGE COUNSELING

Over the next several weeks, the College Counseling Office will host in-person gatherings for parents and guardians. We welcome the opportunity to interact with you, share information, and quell any anxieties. Please bring your questions; we are happy to help and look forward to working with your families. Also see “Save the Dates” on the 2nd page, on the left, for dates, times, and locations.

OPENING OUR DOORS TO COLLEGE REPRESENTATIVES

Every year, the College Counseling office offers in-person/online visits from college representatives. These meetings allow our **seniors** to learn more about specific programs and admission practices, while granting colleges and universities a better understanding of the Bullis experience.

Seniors are welcome to attend meetings (with permission, at least 24 hours in advance from their teachers). If a college/university from a senior's list is not visiting, we encourage students to take advantage of online information sessions and direct connections through the college or university. Ms. McKay, our Administrative Assistant, will always post printed lists outside our office, in chronological order by date and time of the visit.

The visits are for **senior students only**; we ask that no parents or guardians join these conversations. A college counselor will always be present to moderate.

So far, the following colleges and universities have registered for a visit to Bullis School in September and the first week of October. We will include the rest of the list for the months of October and November in the following Criers, respectively.

Unless otherwise specified, all meetings with the college admission representatives will be held in the College Counseling Office. Please note that this list is updated regularly and is subject to change.
