The Red Clay Consolidated School District strictly prohibits acts of harassment based on a student's actual or perceived race, color, or national origin, including shared ancestry or ethnic characteristics like antisemitism. Any such act will not be tolerated, and immediate action will be taken.

If any student feels that they have been subjected to harassment or a hostile environment based on race, color, or national origin, they are strongly urged to report it to a school administrator or counselor without any delay. The district is committed to conducting a prompt and thorough investigation into such cases.

Any student found guilty of engaging in acts of harassment that create a hostile environment based on race, color, or national origin will face strict disciplinary actions, which may include suspension and/or expulsion. To prevent acts of harassment, students, parents/guardians, and school district staff are expected to take responsibility and work together.
