Dress Code Quick Reference Guide

The school dress code is intended to encourage modesty and professionalism, establish a standard of appearance suitable for our students to be a witness to the community, establish an extra measure of campus security, and be practical, economical and comfortable. The student's appearance should not draw attention, become distracting, or blemish the intent of the dress code in any fashion. **Please see handbook for complete details.** Uniforms may be purchased in the uniform section of a variety of vendors, but must be a school uniform style such as those available from [Educational Apparel, LLC](#) or [Schoolbelles](#) (school code S2634).
