III. **Tour New Orange High School Measure S Building**
A brief tour of the newly opened Orange High School Building was provided.

IV. **Measure S Update**
Senior Executive Director of Facilities Development and Planning, Ms. Isela Vazquez, presented an update on Measure S projects. Ms. Vazquez highlighted key milestones achieved since 2019 and announced that the newly updated Villa Park High School building will be ready for student use after the winter break. She noted that modernization projects at Orange High School and Canyon High School are now 99% complete, with the final steps being contractor closeout. At El Modena High School, two newly upgraded buildings are also scheduled to open to students following the winter break, with full completion of construction anticipated by 2025.

V. **New Business**
Villa Park Mayor Pro Tem, Ms. Jones, requested that the topic of crossing guards be revisited at the next meeting on January 27, 2025. By then, we anticipate having the results of Measure Z, which should provide further insights into the costs of crossing guards.

A presentation on Community Schools is scheduled for the next meeting, with a focus on connecting school resources to community needs.

VI. **Adjourn at 5:18 pm**

The next meeting is scheduled for January 27, 2025
