DCS P2 Character Trait  
for the Week:

**Creativity**

THE  
**POSITIVITY  
PROJECT**

## **Creativity**

Creative people can look at the world in original ways. They are open to new experiences, and have an imaginative and independent thought process. They generate lots of different ideas and can pursue them with energy and enthusiasm. Creativity is a process that takes courage. Anytime you share your original ideas with the world, you risk being criticized.

Each week we will be incorporating different character traits into our daily lessons here at school.
