

Double Up!

Building Fluency: multiply within 100

Materials: gameboard, spinner (paper clip and pencil),
8 game markers - different color for each player

Number of Players: 2

Directions:

- 1. Spin and double the number (multiply by 2)
- 2. Cover the product on the gameboard.
- 3. If the spinner lands on a line, spin again.
- 4. The first player to cover three products in a row wins.

Variation/Extension: Students create their own spinner game with products, an example might be having players spin two factors and multiply and cover the products on the board.
