

Addition to 1,000 Card Game

Materials:

- Deck of cards
- Paper and pencil

Instructions:

- Ace represents 1 and face cards will have a value of 10.
- Shuffle the deck and place the deck face down in the middle of the playing area.
- To begin, player 1 will draw 2 cards and multiply them. Player 1 will write that product on their paper.
- Player 2 does the same thing.
- Player 1 draws another 2 cards, multiplies them, and adds that value to the previous score.
- You will continue taking turns.
- The first player to reach 1000 wins.
- If you draw a joker, you will start over at zero. (You can take the jokers out if you don't want to use them.)
