

BAND CAMP KITCHEN 2024-2025

It's time to start planning the meals for our 2024 Band Camp. The dates this year are July 29-August 2, August 5-9. On these days, we will be serving lunch and cold drinks. August 13th and 14th are drinks only. The price of the meals is \$30.00 per child. Menu is listed. We as a school organization need to support our district's wellness policy. Each day, your child will receive a well-balanced, nutritious lunch. This is our joint effort to continue on a healthy path for the well-being of our children.

Help will be needed in the kitchen each day to prepare and serve the food as well as clean up. We work steady from 8am to around 10am. We then take a break until around 11 am. At that point, we start preparing to serve the meal and work until around 2pm. We appreciate anyone who might be able to come around 12:30 and help with clean up. It would help if we had volunteers to wipe the tables and spot mop the floor.

If you are available on any of the days, please let us know or sign up at the booster meeting prior to band camp (July 23rd). Any amount of time you can give is greatly appreciated. Younger siblings are welcome but must have something to occupy their time. As a safety and sanitary precaution, we cannot permit children around the food preparation.

DONATIONS: We are asking that each child from the classes of 2025, 2026 bring 1 can of powdered plain lemonade and classes of 2027, 2028, bring 1 can of regular iced tea mix, 2029, 2030, 2031 powdered Gatorade. We go through large quantities of this throughout Band Camp. We also need donations of whole fresh seedless watermelons, tomatoes, cucumbers, or any fresh fruit.

SPECIAL NOTES:
