Re: Bill Zeller Open Records Request

Attention Superintendent Tracy:

I try to be clear and concise when requesting public documents under the California Open Records Act. I received your reply to my recent request, but it was not what I requested. I did not request a copy of the warrant. I originally requested a copy of the bill that Mr. Zeller submitted to the district for payment. This is now my second request for a copy of the billing that Mr. Zeller submitted to HUSD that was paid at the July 20, 2015 board meeting. I make this second request knowing that you will follow the California Open Records Act as you took the oath to follow the laws of the State of California as a condition of your being the superintendent for our district.

I await your timely response to this request.

Sincerely,

Barbara R. Bass, OUR SCHOOL
