July 1, 2016

Mr. Froylan Mendoza  
362 Stony Creek  
Orland, CA 95963

Dear Mr. Mendoza,

I am writing to you in regards to your written request for information. In your email you requested information on the monitoring of the Structured English Immersion program. You referred to a program within the district you as the "Star Program." Finally, you requested the District ELD Master Plan.

The monitoring of our Structured English Immersion Program, our District has titled "The Language Star" was monitored by the State of California during the 2013-2014 school year by the Department of Education through the Federal Program Monitoring (FPM) process. No findings were rendered by the CDE monitoring team for "The Language Star" program. An FPM may be assessed to any school district that receives categorical funding. One of the key components of this review is that the district has a comprehensive Structured English Immersion Program. From the reviewer's purview, our district's program meets the state and federal requirements.

Your request for the District English Learner Master Plan may be satisfied by visiting our web page at the following location where you may review a PDF copy of the requested plan:

[http://www.edlinesites.net/pages/Hamilton\\_Unified\\_SD/Parents\\_Students/HUSD\\_English\\_Learner\\_Master\\_Plan](http://www.edlinesites.net/pages/Hamilton_Unified_SD/Parents_Students/HUSD_English_Learner_Master_Plan)

You may also find it by going to [www.husdschools.org](http://www.husdschools.org) and hovering over the 'Parents/Students' tab, then clicking on "HUSD English Learner Master Plan" in the drop down menu.

Your request and this letter will be posted on the District web page under our CPRA folder for all to review your request and the district response should anyone have a similar request in the future.

Sincerely,

Charles Tracy, District Superintendent  
Hamilton Unified School District

**Subject:** STAR Program

Good morning everyone, I was hoping I could get some assistance on this:

Can someone tell me when the last time the Structured English Immersion (SEI) program was last evaluated? Superintendent Tracy refers to it as the STAR Program. In other words the Kevin Clark ELD Program. Also can you please email me the ELD Master Plan? Not the powerpoint, the real deal.

Thanks for your help,

Froylan Mendoza
