To: Hamilton Unified School District

Superintendent Tracy,

This is a California Public Records Request. I am requesting copies of the minutes for all board meetings for the school years 11/12, 12/13, 13/14, 14/15, and 15/16. This will include all regular and special meetings held by the board.

Please call me and let me know when I can pick them up at the office. I await your timely response.

Sincerely,

Barbara R. Bass
