Your one stop shop for all things
preparing for success after high school.

 Videos and activities for young people to learn about the many parts of planning for success after high school...and beyond!

 Resource toolkits, lesson plans and activity sheets for transition stakeholders to integrate into their existing transition practices, programs and services (including Pre-Employment Transition Services).

 Data, blogs and stories about what works in preparing for life after high school from young people with disabilities, family members and transition stakeholders across schools, agencies and community partners.

Transitiondiscoveries.org is always growing!
Check back often for new learning experiences, resources and events.

Transition Discoveries (TD) is a community effort created by youth, families and stakeholders, for youth, families and stakeholders. If you're interested in learning more about transitiondiscoveries.org and getting involved in the TD initiative, contact our team today!
