Dear Mrs. Bass,

Hamilton Unified School District is in receipt of your CPRA request dated April 5, 2016 for information regarding our response to your CPRA dated March 22, 2016 pertaining to bussing routes that include a stop on the east side of Orland.

It was brought to the District's attention that students from out of district were traveling to and from school via the "Glenn Ride" public transportation. Out of an abundance of caution for the safety of students an additional stop was added to our bus routes in the western half of our district to include the one on the east side of Orland. Under the general authority granted to the Superintendent per Administrative Regulation 3541 which the board authorizes through district policy to ensure that students have a safe method to travel to and from school. You requested the yearly costs for the additional stop in Orland. We do not track that expense outside of our normal school to home transportation budget.

I hope this letter and enclosures answer your CPRA request for information.

Sincerely,

Charles Tracy
District Superintendent
