Dear Mrs. Bass,

Hamilton Unified School District is in receipt of your CPRA request for information regarding the Olweus Reports re 2011 and 2014.

As stated in previous correspondence, the District is not in possession of the 2011 report nor does it find a need to obtain it. The information regarding the 2014 survey was provided in the board report in our September Meeting. (Please see board packet and husdschools.org for details) The District did not obtain a copy of the entire report because we asked only for the summary given to you in the board packet dated September 16, 2015. The actual full report is expensive and not needed by the district. Please see attached print out of Power Point presented in the September 2015 board meeting by Kile Taylor.

If you wish to obtain a copy, I can research the costs and how you may pay the company to obtain one. I hope this letter answers your inquiry of your CPRA request for information.

Sincerely,

Charles Tracy
District Superintendent
