Ella Barkley High School School Accountability Report Card Reported Using Data from the 2015-16 School Year Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at http://dq.cde.ca.gov/dataquest/that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2016-17)

Year and month in which data were collected: 10/2016

Textbooks and instructional materials are reviewed and selected according to California State Standards, as well as research-based for alternative education. Textbooks are Board approved.

Other non-approved books are used in instruction. Sections of material from certain books are used to supplement the material being covered. The teacher checks all assignments against the State Standards.

All students have access to textbooks and supplemental materials that are needed to complete their credits. The district has affirmed that each student has their own textbook to use in class and to take home.

An art class is offered in the visual and performing arts.

School Facility Conditions and Planned Improvements (Most Recent Year)

The school opens before and after school for students who arrive early and have to be late. The school is located adjacent to the Hamilton High School campus. The design of the classrooms is open and appropriate for individual or group teaching. The buildings and gardens are maintained by the District staff and are in good repair, and 100% of the bathrooms are functioning properly.

Teachers ensure that teaching students is safe, and that classrooms are kept in good order. A District custodian keeps the facility clean during the afternoons. The school has had the benefit of using the traditional school gym for physical education classes when needed.

The District Library serves the school with more than 7,500 books and a capacity of 15,000. The school has 12 computers connected to the internet used for learning and instruction and a greenhouse that is used by the ROP classes of Ornamental Horticulture. The entire school has access for the disabled. There are two class rooms and an administrative building / offices, all built in 1986. All elements of the School Facilities were inspected in November 2016.

The District participates in the State School Deferred Maintenance Program which provides equal dollar-for-dollar funds to support school districts with their expenses for major repairs or replacement of existing school buildings. Typically this includes roof, plumbing, heating, air conditioning, electrical system, interior and exterior paint, flooring system.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

Ella Barkley High School staff believes that parent involvement is critical to student success. Our school offers an open-door policy to its parents.

Parents are welcome to attend their student's classes or take school tours. A visitor's pass and a class schedule can be obtained at the Alternative Education office. Interested parents may contact Maria Reyes, Dean of Students, at (530) 826-3331 or mreyes@husdschools.org for more information about ways of getting involved in the school's programs.

School Safety Plan (School Year 2016-17)

The HUSD and EBH School Safety Plan of Emergency Operations was adopted by the HUSD School Board on April 14, 2014. EBHS Faculty participated in the development of the plan and items are regularly reviewed. The School Safety Plan is reviewed and updated yearly. The District's School Safety Plan details Ella Barkley High School's policies regarding transportation, student discipline, emergencies and disaster preparedness, dress codes, and child abuse reporting. This plan is available in the District office for public inspection. Our district Safety Coordinator regularly provides timely and necessary in-service training for the purpose of prevention, compliance, and, importantly, awareness of issues that may affect our students, staff, and school culture.

Types of Services Funded (Fiscal Year 2015-16)

Hamilton Unified, in partnership with Glenn COE, offers a complete list of educational services for our community. Categorical programs provided by the District include: Title II, GATE, Response to Instruction in Reading, Class Size Reduction K-3, extended day for at-risk students, high school tutorial, summer school, and California High School Exit Examination (CAHSEE) prep.

Glenn County programs include a complete range of Special Education programs that include speech and language services, resource specialist, and a special day class. Additionally, through Glenn COE, Hamilton Elementary was chosen as a site for an after-school program through the 21st Century Grant. Migrant Education and First Five funding also contribute to our school resources and programs.

On the Hamilton High campus, the district operates a State Preschool and an Adult School.

Glenn County Office of Education and Human Resource Agency also have two other programs on our campus. Through their Department of Child and Family Services, they have a Statelicensed Preschool and a Family Resource Center.

Professional Development (Most Recent Three Years)

Focus areas for staff development for 2014-2015 are: Safety, Eadms trainging, and continuing with the implementation of Common Core State Standards- specifically Integrated Math implementation, and ELD standards for designated and integrated instruction. These areas of professional development were selected based on the needs of our students, particularly training in the new ELD state standards which are aimed at improving access to our educational programs for all students. EDI (Explicit Direct Instruction)- now the Common Core Cadre- are ongoing trainings for all teachers in our district for the purpose of ensuring a common educational practice in the HUSD classrooms kindergarten through 12th grade. The high school has teacher-coaches to assist in this process through individual meetings and trainings, but also with in-class observation and coaching. Continued training is provided for the implementation of data analysis and data analysis programs with the intent of improving the teachers use of data to inform and improve instruction to help our students achieve academically. Professional Learning Communities were established during which our teachers fully collaborate, discuss, and seek out solutions to better assist instruction, curriculum, and student achievement.
