

## ANATOMY/MED TERM FIELD TRIP BODY WORLD PERMISSION SLIP

Your son or daughter will be attending a field trip to San Jose to visit the Body Worlds Exhibit at the San Jose Tech Museum. To learn more about the exhibition and to find the answers to some frequently asked questions, please visit our website at [www.bodyworlds.com](http://www.bodyworlds.com). After viewing the exhibit, your student may want to discuss what they have seen with you. On the website you will also find a Family Guide to assist you in answering questions that your children may have.

We require that all students in school groups visiting the BODY WORLDS exhibition receive permission from their parents/guardians prior to coming to the exhibit.

By signing this form, you are acknowledging that your child has permission to view the exhibit with a teacher, school supervisor, or other school representative. If you do not wish for your child to see this exhibit, please ask the teacher to make other arrangements.
