School Community Newsletter

June 2022
Graduation Edition

Greetings & Salutations Hamilton Family!

Congratulations to all of our students and staff on the successful completion of this school year! Most especially, let us all Congratulate the Hamilton High School Class of 2022 on their superlative high school careers as Hamilton Braves! Their contributions to our school and community will stand the test of time and be fondly recalled as the years pass. The Class of 2022 will be remembered as well for their compassion towards others, their internal strength and fortitude in difficult times, and their perseverance during a historically challenging academic time.

At this time, I would like to graciously give thanks to our Hamilton City community for their compassion, generosity, and well-wishes during a medically difficult year. I have been truly blessed by the genuine love and support shared with my family and myself these many months. I am forever grateful to each of you and would like to share that my continuing recovery is going well in large part due to the motivation and inspiration I have from your messages, and the power of your prayers- I needed every one of them! While I realize the journey ahead for me will continue to offer challenges, I feel reassured by my Hamilton Family that I can continue to overcome those challenges. It is with much appreciation that I say without each of you, I would not be here and I will cherish the time I have been given- Thank You!

It was a personal goal of mine to return for graduation and celebrate with my students and families! With good blessings, we made it! Our community is filled with faith, trust, grace, and humility which creates an abundance of love for our students, staff, and families. Like any family, we will continue to strive forward, to thrive and survive, while embracing all the characteristics that make Hamilton High a special place!
