## School Community Newsletter

October 2022

### Autumn Greetings to our Families!

With Autumn upon us and the turning of the calendar to October, we also reach the completion of our First Quarter. It has been an exceedingly busy time for our students and staff with school work, school activities, various athletic and school events, and our normal everyday educational priorities. Our students continue to be a positive source of energy and vibrancy, with an exceptional motivating spirit that reaches each of us! The next quarter promises to be just as active and I believe we are prepared for the opportunities we will be enjoying.

First and foremost, of course, we remain keenly focused on our student academic endeavors. This year, we were able to add several support classes in specific core content areas to provide extra benefit for our students. We believe this will have a positive impact as will students working at noon and after school during tutoring times for the extra assistance needed for the student to gain understanding and access to the curriculum. As we start our next quarter, and with a thoughtful review of student progress, we may be able to adjust schedules of struggling students to add a support class, though this will be based on necessity for the student and will be encouraged.

Recently, I was able to attend the HUHS Old Timers Reunion. Being the youngest at the event certainly brought perspective on the responsibility we hold to our school community. We continue to look to our past for our traditions, to our families for continued support and inspiration, and to our students for the eagerness to learn and grow academically, spiritually, and socially. Our alumni provide us with that particular hallmark of excellence that we continually seek and we are thankful for their ongoing involvement with Hamilton High School.

We look forward to your continued positive involvement and participation with your child and with our school. Go Braves!

Love and Appreciation,  
Cris Oseguera
