

Feliz Navidad!

As the joyful celebrations of the Christmas season continue, may we all count our many blessings, love others more and judge them less. In this season of Giving and Gratitude, please know how much your generosity and kindness to our school projects and your students are appreciated.

The end of any year is a time to reflect on all that has been accomplished and overcome during the past few months and resolve positively for the future. In my view, 2022 will be remembered as a highly productive and successful year for Hamilton High School!

Our students have continued to produce strong academic results, with our scores being the highest in the Glenn, Colusa, Tehama counties corridor. Additionally, our graduation rate remains at the top among high schools in Northern California, though we always reflect introspectively and seek growth and improvement. We have enhanced our school programs throughout the year, offered various special trips for students to grow their experiences, and are in the midst of plans to upgrade school facilities. We were also witness to Hamilton having one of its best Fall sports seasons in years.

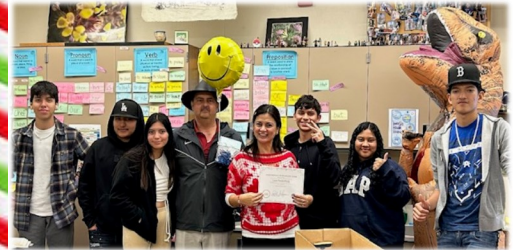

While all these achievements are quite laudable, it is the development of our students into well rounded and grounded people, who show compassion and empathy for those around them, that is the real sign of a successful person. I am very pleased to say I have been blessed to witness these traits first hand on multiple occasions throughout this year from our students, our staff, and our community.

May you find peace and joy during your Christmas and New Year's celebrations with family and friends. I wish you the wonder of the unconditional love of the season and the awe of the miracles of life. Thank you for entrusting your children to us!

Love & Appreciation  
Cris Oseguera

### MEChA Annual Giving Tree

We would like to thank the HHS Staff and Community for your generosity. Thanks to our community coming together, we were able to bring some much needed joy to nearly 100 children and their families!

MEChA has been involved in the Christmas Giving Tree for many years now. It is a student club, led by Ms. Reyes, who participate in different activities throughout the year, including events at Chico State. Students fundraise throughout the year, which is used for scholarships and end of the year celebrations.

If you would like to donate to MEChA club, you can do so in the HHS office.

Happy Holiday!!!!

## SPORTSMANSHIP/BEHAVIOR EXPECTATIONS OF SPECTATORS AT HHS EVENTS

Spectators at athletic events, including parents & students, are expected to maintain high standards of sportsmanship and good behavior at all times. They should appreciate good play on the part of opponents as well as by our own teams. They should respect the decisions of the officials during the games. Visiting teams are guests at our school and should be shown every courtesy. Students and their families are notified that guests accompanying them are expected to behave in a professional, respectful and responsible manner. The School and District retains the right to remove any visitor from an event who disrupts the educational environment or disrupts the peace in any fashion at any school sponsored event.

### Hamilton City FFA

Help support our FFA by purchasing some of our tasty olive oil that can be used to create delicious meals or as stocking stuffers for this holiday season. Each bottle of Olive Oil is \$15 or a case of 6 bottles for \$80. All the funds from the olive oil and mandarins sales go back to our students. Students help bag and sell over 250 bags of mandarins this year.

Hamilton High is fortunate to have a farm on campus which includes an olive and mandarin orchard, hog barn, sheep barn, steer pen, and greenhouse. Our three amazing FFA Advisors Janice Lohse, Ashley Hautala, and Andrew Martin utilize it for hands on teaching. Our students learn about growing and harvesting mandarins and olives as well as the care for animals.

Ms. Lohse, Ms. Hautala, and Mr. Martin continuously attend conferences to keep up to date on Ag and FFA information. They recently attended a three day conference for National Ag Instructors in Las Vegas.
