Dear Parents and Students,

Warm weather is finally here and so is, to a large degree, a return to normalcy! The month of May promises to be both a busy and an exciting time as we return to competitive spring sports and as we begin to recognize the end-of-the-year achievements of many of our students as well as celebrate our graduating seniors.

As we look back on the last couple of months, we have much to celebrate. We wrapped up a successful fall and winter sports season, and began spring sports- seemingly all at once! Our school goal is to offer the opportunity for participation in school activities to our students and we are accomplishing that while continuing to add activities that, not too long ago, we did not believe would be possible. This includes the Glenn County Fair & Junior Livestock Auction, a Prom, and our Commencement (Graduation) on Friday June 4!

In addition to all of our extracurricular activities, the month of May will be a busy testing month, primarily for our Junior and Seniors. We will be administering over 70 Advanced Placement exams and also the states testing (CAASPP). All of this is in addition to continuing the daily coursework and instruction.

We look forward to hosting several events for the members of the Class of 2021 including Senior Awards Night and a nearest-to-normal Commencement Ceremony! A separate Senior Parent information sheet will be sent to our 12th Grade families.

As always, I encourage you to please continue to refer to our school website and our social media pages for additional information or as changes occur- or simply call us as well.

As always, I want to reiterate my gratitude for your continued support and wish you and your family great health and spirits. Warmer weather and better times are here!

Boletín de la Comunidad Escolar

Mayo 2021

Estimados Padres y Estudiantes,

El clima cálido finalmente está aquí y también, en gran medida, ¡un regreso a la normalidad! El mes de mayo promete ser un tiempo ajetreado y emocionante a medida que regresamos a los deportes competitivos de primavera y comenzamos a reconocer los logros de fin de año de muchos de nuestros estudiantes, así como a celebrar a nuestros estudiantes del último año que se gradúan.

Al mirar hacia atrás en los últimos meses, tenemos mucho que celebrar. Terminamos una temporada exitosa de deportes de otoño e invierno y comenzamos los deportes de primavera, ¡aparentemente todos a la vez! Nuestro objetivo escolar es ofrecer la oportunidad de participación en las actividades escolares a nuestros estudiantes y lo estamos logrando mientras seguimos agregando actividades que, no hace mucho tiempo, no creíamos que fueran posibles. ¡Esto incluye la feria del condado de Glenn y la subasta de ganado para jóvenes, una fiesta de graduación y nuestra graduación el viernes 4 de junio!

Además de todas nuestras actividades extracurriculares, el mes de mayo será un mes de exámenes muy ocupado, principalmente para nuestros estudiantes de tercer y cuarto año. Estaremos administrando más de 70 exámenes de Colocación Avanzada y también los exámenes estatales (CAASPP). Todo esto se suma a la continuación de la instrucción y el trabajo diario del curso.

¡Esperamos organizar varios eventos para los miembros de la Clase de 2021, incluida la Noche de Premios y una Ceremonia de Graduación más cercana a lo normal! Se enviará una hoja de información para padres por separado a nuestras familias de 12 ° grado.

Como siempre, los animo a que continúen consultando el sitio web de nuestra escuela y nuestras páginas de redes sociales para obtener información adicional o cuando ocurran cambios, o simplemente nos pueden llamar.

Como siempre, quiero reiterar mi gratitud por su continuo apoyo y les deseo a usted y a su familia buena salud y buen humor. ¡Un clima más cálido y mejores tiempos están aquí!

¡Felicidades! ¡Es un placer para mí anunciar a Elizabeth Matthews, Alejandro Gonzalez y Lisette Haro como Valedictorians para la clase del 2021! ¡Estoy igualmente orgulloso de anunciar a Xitlaly Medina-Cruz como nuestro Salutatorian! Estos cuatro estudiantes jóvenes y brillantes han sido bendecidos con excelentes habilidades y han aplicado sus talentos con determinación y perseverancia a lo largo de sus años en la secundaria. El compromiso demostrado con el aprendizaje no tiene parangón. ¡Todos nosotros en la comunidad de la escuela secundaria de Hamilton nos unimos para celebrar estos merecidos logros!

Safe & Sober Graduation

Hamilton High has a long tradition of assisting with a Safe and Sober Graduation Party the night of Graduation. Graduation will be Friday June 4 at 8pm with the Sober Grad Party event to follow at CalSkate from (approximately) 10:30pm-5am. The priority for all of our students is to offer a safe location with activities for them to enjoy their accomplishment. We have held an event for nearly 30 years and our proud to support the efforts of our parents in ensuring a safe and sober alternative. Sober Grad is always in need of donations and volunteers for that night. Donations can include gift cards for the students to win as prizes, food items, and t-shirts. For more direct information, please contact Vicky Casillas at (530)570-5175. Any monetary donations should be made to: **Hamilton High Sober Grad.** WE THANK YOU IN ADVANCE FOR YOUR DONATIONS!

Continue to be Covid Safe

Safety is our top priority! Even though we are all beginning to breathe a sigh of relief from COVID restrictions, we want to emphasize that, for the safety of everyone, we are still adhering to all health protocols. In order to ensure the safety of all students and staff, we ask that students continue to practice health protocols without exception. Students must wear masks properly, practice physical distancing, wash and disinfect hands, and take the screening process seriously each and every day. All of this will allow Hamilton High School to continue to offer a safe in-person learning environment.

I would like to personally thank our students, parents, and community members for all of their support during this challenging school-year. As we continue to move forward, we encourage parents to remain vigilant in monitoring your student's well-being and, of course, their grades through communication with your child and their teachers. Please remember that all of our activities will be possible if our health numbers in the county continue to improve- let us all do our part!

Graduación Segura

Hamilton High tiene una larga tradición de asistir con una fiesta de graduación Sober Grad la noche de graduación. La graduación será el viernes 4 de junio a las 8:00 p. M. Con el evento Sober Grad Party que seguirá en CalSkate de (aproximadamente) 10:30 pm. La prioridad para todos nuestros estudiantes es ofrecer un lugar seguro con actividades para que disfruten de sus logros. Hemos realizado un evento durante casi 30 años y estamos orgullosos de apoyar los esfuerzos de nuestros padres para garantizar una alternativa segura y sobria. Sober Grad siempre necesita donaciones y voluntarios para esa noche. Las donaciones pueden incluir tarjetas de regalo para que los estudiantes ganen como premios, alimentos y camisetas. Para obtener más información directa, comuníquese con Vicky Casillas al (530) 570-5175. Cualquier donación monetaria debe hacerse a: Hamilton High Sober Grad. ¡LE AGRADECEMOS ANTES SUS DONACIONES!

Continuemos siendo seguros contra COVID

¡La seguridad es nuestra principal prioridad! A pesar de que todos estamos comenzando a respirar aliviados por las restricciones de COVID, queremos enfatizar que, por la seguridad de todos, seguimos cumpliendo con todos los protocolos de salud. Para garantizar la seguridad de todos los estudiantes y el personal, pedimos que los estudiantes continúen practicando los protocolos de salud sin excepción. Los estudiantes deben usar máscaras correctamente, practicar el distanciamiento físico, lavarse y desinfectarse las manos y tomar en serio el proceso de detección todos los días. Todo esto permitirá que Hamilton High School continúe ofreciendo un lugar seguro de aprendizaje en persona.

Me gustaría agradecer personalmente a nuestros estudiantes, padres y miembros de la comunidad por todo su apoyo durante este desafiante año escolar. A medida que continuamos avanzando, alentamos a los padres a permanecer atentos al monitorear el bienestar de su hijo y, por supuesto, sus calificaciones a través de la comunicación con su hijo y sus maestros. Por favor recuerde que todas nuestras actividades serán posibles si nuestros números de salud en el condado continúan mejorando, ¡hagamos todos nuestra parte!

For ages 16+. This mRNA vaccine is a two dose series and is 95% effective at preventing COVID-19 illness. mRNA can be described as instructions for the cell on how to make a piece of the "spike protein". Once the piece of protein is made the mRNA is then broken down with cellular enzymes. The body produces antibodies which result in a immune response. - [cdc.gov](https://www.cdc.gov)

Para mayores de 12 años. Esta vacuna de mRNA es una serie de dos dosis y tiene un 95% de efectividad para prevenir la enfermedad COVID-19. El mRNA se puede describir como instrucciones para la célula sobre cómo fabricar un trozo de la "proteína de pico". Una vez que se produce el fragmento de proteína, el ARNm se descompone con enzimas celulares. El cuerpo produce anticuerpos que dan como resultado una respuesta inmunitaria. - cdc.gov
