June 2023
Graduation Edition

Congratulations Class of 2023!

Please join me in Congratulating the Hamilton High School Class of 2023!

I invite us all to extend our sincerest heartfelt wishes of success to each graduate whose persistence these four years has allowed them to reach the pinnacle of secondary achievement! This ceremony marks the celebration for our students' efforts in the classrooms, but the achievement is all encompassing for our families as they too have persisted, held strong, and kept the faith in their child's capabilities.

This ceremony sees all the commitment, the long hours, the times of stress, with ups and downs built in, come to fruition in receiving the diploma! This Senior class has been resilient, driven and, yes, often filled with pressure to be successful! They have overcome each challenge and now are prepared to embark on the subsequent phase of their academic and personal lives, using their experience at Hamilton High as a springboard!

As always, I am honored to serve our students, staff, and community and wish each graduate the best of luck in all future endeavors as well as blessings on a healthy, active and committed life in Faith! Remember to live your life in Faith- in Family, in Friends, in a greater Good, and in your-Self! Faith will provide you needed solace and focus while centering your life during times of necessity.

As we bring the school year to an official close, I would like to thank my staff and our school community for all their dedication to our students and to their professional craft. I am very appreciative of the personal support, compassion, and love given our students!

Let's all commit to share time with our loved ones, strengthen our personal relationships, and cherish those moments that we share together while living in Faith!

Class of 2023- Godspeed!
Cris Oseguera
