## School Community Newsletter

September 2022

Greetings Hamilton High!

We welcome September with great expectations! It has been an exciting and busy start to our school year with several activities and events for students and families, many of which are pictured within this newsletter. I am so proud of our students and the respectful, responsible, and diligent behavior they have demonstrated in classes, events, and toward our school community! These are traits we expect from all our students as the school year moves forward. In particular, I am especially pleased by the smooth transition and adjustment being made by our Frosh students to high school. This is an important time in their development and maturity and I appreciate the love and support of our parents for their child during the move to high school.

As well, our ASB student leaders have been superb in promoting positive school spirit, creating unity and fellowship, and an excellent energetic vibe for our students! Thank you ASB! This includes a growing collaboration with parent leaders in HHS Boosters as we have seen with promotions to encourage student participation and involvement at our sporting events. Our parent volunteers have also recently been instrumental in updating our weight room, goalposts, and flag pole- Thank you parents!

Over the next few weeks, we will be sending out progress reports, host Parent Teacher conferences, have college tour visits, and host Senior Parent College & Scholarship Info night. We look forward to your participation as well as your continued support for our school, staff, and programs.

With love and appreciation,

Cris Oseguera  
Principal

## Janice Lohse Honored by National FFA Organization

INDIANAPOLIS (Tuesday, 16 August 2022/National FFA Organization) – Janice Lohse of Hamilton High was selected to receive the Honorary American FFA Degree.

This award is given to those who advance agricultural education and FFA through outstanding personal commitment. The National FFA Organization works to enhance the lives of youth through agricultural education. Without the efforts of highly dedicated individuals, thousands of young people would not be able to achieve the success that, in turn, contributes directly to the overall well-being of the nation.

The Honorary American FFA Degree is an opportunity to recognize those who have gone beyond valuable daily contributions to make an extraordinary long-term difference in the lives of students, inspiring confidence in a new generation of agriculturists. Members of the National FFA Organization's board of directors approved the nomination.

Ms. Lohse will receive the award during the 95th National FFA Convention & Expo, in Indianapolis, Ind., on October 28, 2022. All recipients will receive a plaque and medal, and their names will be permanently recorded as recipients of the highest FFA honor.

### Ellie Matthews and Lena Porter

Each year, the National FFA Organization honors FFA members who show the utmost dedication to the organization through their desire to develop their potential for premier leadership, personal growth and career success through agricultural education.

The American FFA Degree is bestowed upon a select group of students in recognition of their years of academic and professional excellence. This year 4,305 American Degrees were awarded.

Hamilton High Grads Ellie Matthews and Lena Porter received this distinguished award. Great Job Ladies.

# Back to School Night!!

Back to School Night was a success. HHS is lucky to have parents who are involved in their students education and in our school. Thank you to all our teachers who provided important information for our parents regarding the expectations in their classes. We also had Senior help that night with guiding parents and passing out schedules. Thank you to all who made this event a success!!!

# QUAD DAY AT HHS!!

Staff and students were excited about QUAD DAY!! This is a fantastic opportunity for students to check out all the clubs on campus. We also provided valuable resources from the county and even some exercise activities from the local Military Branches.

# Home of the BRAVES

HHS Fall Sports are off to a good start. We will be having our Lady Braves Tournament Sept 8-10, 2022. Visit our web site or see our calendar for the most up to date game schedules. Great Job players, coaches, staff, and parents. LET'S GO BRAVES!!!

## HAMILTON HIGH SCHOOL SPORTSMANSHIP STATEMENT

Hamilton High School believes good sportsmanship is an integral component of education-based interscholastic athletic competition. In order for good sportsmanship to prevail, coaches, student-athletes, and fans must display respect, fairness, civility, honesty, and responsibility before, during and after all athletic contests. We encourage fans to enthusiastically support their team, recognize outstanding performance of opponents, and always exhibit good sportsmanship in their words and actions. Please show our student-athletes, coaches, and officials the respect they deserve for their efforts. Thank you.

### HHS School Data Results

CAASPP test results, as reported in June HUSD Board meeting indicated growth in ELA and Math for HHS students. For the last year reported in ELA, HHS 11th graders increased about 6% from the baseline to 61.29% met or exceeded.

For Math, HHS 11th graders increased over 13% to 22.58% met or exceeded. We continue to use state data to improve our quality of instruction and generate improved student results.

Preliminary data results for Spring 2022 CAASPP results for HHS indicate continued improvement in ELA and Math testing. We are continuing to parse the data information to develop the result before sharing out.

Our AP results from Spring 2022 indicate growth with the following pass rates:

- a. AP English Language- 15.4%
- b. AP Spanish Language- 100.0%
- c. AP Statistics- 71.4%

California Healthy Kids Survey (CHKS) for the past year indicated positive attributes and perception of school safety, student's feeling of being supported by staff, as well as support for both academic and social factors. Continued areas of improvement included providing more opportunities for parents to receive information and ensuring students are fully aware of expectations in their classes.

As a reminder, we also received a six-year term of accreditation in late Spring from ACS/WASC. This is the highest level term possible and one we have previously received in earlier accreditation visits. This self-study and school visit verifies the quality of instruction and of our programs and validates the diplomas earned by our students.

Our current enrollment numbers for 2022-23 at HHS are as follows:

9th=97; 10th=63; 11th= 75; 12th= 67. Total= 302 + 15 (EBHS)=317.

This is an increase of about 20 students from June projections.

Students at HHS are enrolled from HES; Plaza; Capay; Lake; CK Price; Notre Dame; Nord; Kirkwood; Chico Jr; PV; Chico; Orland; Durham, Willows, and Corning.

Currently, we have approximately 50% of our students choosing to attend Hamilton High from out of the district! This is the highest percentage in Hamilton High School history and indicative of the respect and reputation built by our current HHS team combined with the dedication of our staff to our students and families! We also thank our families for placing their trust in our educational programs!
