4	4 – 98.89%		

We've had a successful start to the school year. Teachers are implementing the Capturing Kids Hearts content they received at the training. I've noticed teachers greeting students, social contracts in most classrooms and team building activities throughout the grade levels. Our enrollment is lower than last year at this time but higher than expected. We have enrolled over 18 students in the last couple of weeks.

## Instructional news:

### Schedule and class offerings

- We are offering daily intervention time in all grade levels K-8.
  - Tier 3 intervention is being facilitated by intervention teacher and paraeducator
- All TK-5 Language Arts classes are being supported by a para
- ELD classes are leveled by language proficiency based on ELPAC
  - Beginning ELD classes have para educator support
- 6-8 grade students will have a semester long Ag class
- Integrated Math 1- a high school level course is being offered
- Lunch times are consistent throughout the week, even on Fridays

## Campus News:

- FPM
  - Mrs. Sawyer has been working hard and leading the way in assigning and gathering all the necessary documents.
  - The final review is in September and we are anticipating a lot of learning happening at the review.
- ASB
  - Students are giving daily morning announcements school wide
  - ASB has committed to use funds to buy HES spirit T-shirts for all students
  - ASB team has committed to sending thank you cards to community members/sponsors

- PBIS and CKH
  - Expectation Rotations (cafe, hallways, bathrooms, playground, classroom)
  - Continue with Otter Pop Fridays and Prize Wheel- Wolf Bucks
  - Staff enjoyed and benefited from training
  - We are seeing teachers greeting students, social contracts and team building activities around campus...and students are talking about it.
- Athletics
  - Volleyball has begun. The first game experience of the season is this Saturday at Chico Country Day. Mrs. Larson is coaching both teams.
  - Flag Football started practicing. The first game is on September 1st. Rudy Ortiz is coaching the team.

Hamilton High School  
Board Report  
August 23, 2023

1. Enrollment- Hamilton High currently enjoys serving 312 students, which includes the 17 at EBHS. Attendance has been very good these first seven days of the school year.
2. School and facility upgrades- we were pleased to see some long-awaited improvements to HHS this summer!
  - a. New cafeteria tables
  - b. Newly painted Hamilton Blue panels on all HHS buildings
  - c. Re-paved parking lots
  - d. New lovely cabinets installed in Ag Mech room
  - e. Start of school beautification upgrades in front of library (ongoing work-in-progress)Special thanks to HUSD maintenance and the contracted companies for their efforts in adding a little tlc to HHS!
3. Teacher Training- All HUSD staff were privy to two days of CKH training on August 8-11. This was a very well-received and timely training. HHS staff was fully involved and energetically engaged with the presenter (Colleen) as well as with each other during the many interactive activities. The purpose was to build and strengthen relationships with each other and also with students. I am very proud of our teacher's efforts in being attentive and keen to learn and implement CKH at HHS! Philosophically, this meshes very well with my impetus over the years to staff of building rapport with each student and each class to create a strong environment for improved learning. CKH will be an ongoing component for all of us throughout the school year!
4. School Athletics- Our Hamilton High Fall sports are well underway as practices, scrimmages, jamborees, and a couple of games have been held already. We hosted a well-attended football scrimmage on August 19 which provided a preview of the upcoming possibilities for both JV and Varsity. Our Volleyball teams each participated in a jamboree, and have played their first official matches of the season (undefeated thus far).

We held a Parent/Athlete meeting on August 21 in a packed gym. We emphasized communication, behavior, sportsmanship, and positivity as we compete against our sister schools. This will be an exciting sports season build on growth, sportsmanship, competition, and building relationships. Please come watch our teams this season. Go Braves!
5. School Activities- We are blessed to have welcomed our Class of 2027 at Frosh Orientation of August 7! Students participated in ice-breakers, game activities, and heard school information before being served a bbq lunch. This is a great group!

Our first days of school have been smooth, with our students being met at their class doors by our teachers, being welcomed with open arms and brought into the fold of Hamilton Braves family! Our counselors performed masterly in adjusting various student schedules and shifting students to balance class sizes. Our front office was kind and efficient as they handled numerous new students, a plethora of queries from students/parents/staff. While we weathered some warm temperatures, we have remained calm and cool! I appreciate and thank all our staff for the professionalism and positivity shown as we have begun this 2023-24 school year!
6. Go Braves!

## **HUSD Food Service Report**

**Board Meeting on August 23, 2023**

**Erendida Moreno, Director of Nutrition & Student Welfare**

---

- August 4, 2023 was the last day for Boys & Girls Club Day Camp. Foodservice Department has provided meals for them and students in the community under the age of 18 years since June 7, 2023. Our meals included were breakfast, lunch, supper, and snack.
- SSFO Breakfast served for July/August: 1,170
- SSFO lunch served for July/August: 1,321
- CACFP Supper served July/August: 1,206
- CACFP snack served July/August: 580

As a result of providing these programs through out summer, and being new to this position, it is important for a Director to be available at an operating site. I decided it was best for me to become a twelve month employee when offered by Jeremy and Kristen. This gave me the time to ensure our program's needs were being met in all areas our department provides.

We are transitioning from Nutrikids menu planning to Mosaic menu planning. I have been online training Back of The House to learn the program once we switch over. This transition was a result of having our POS system From Mosaic. I am currently doing training to generate new and improved menus by September.

<b>Fiscal Impact:</b> HUSD will reimburse GCOE the estimated cost of \$3,636.36/month with total annual cost estimated at \$40,000.	
<b>Educational Impact:</b> Will provide health services to students.	
<b>Recommendation:</b> Recommend board approve MOU between HUSD and GCOE for LVN Staff at Hamilton Elementary for the 2023-24 school year.	

MEMORANDUM OF UNDERSTANDING

Between

Hamilton Unified School District

And

Glenn County Office of Education

Purpose:

This Memorandum of Understanding (MOU) establishes a formal working relationship between Hamilton Unified School District (HUSD) and Glenn County Office of Education (GCOE) acting as partners in the delivery of School Wide Mental Health Services. The purpose of this MOU is to clearly identify the roles and responsibilities of each party as they relate to the implementation of these services. Both parties will ensure that the programs are conducted in compliance with all laws, rules and regulations.

Description of Services:

An LVN staff person will be provided by GCOE for services to HUSD students as determined by the administration at HUSD and specifically Hamilton Elementary School.

Glenn County Office of Education will agree to:

- Provide (1) – 20 hours per week LVN (4 hours per day/5 days per week)
- Billing will be processed the end of the 23-24 fiscal year based on actuals

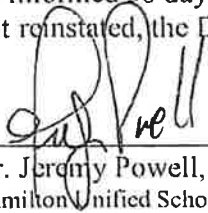

Hamilton Unified School District will agree to:

- Provide funding to GCOE to reimburse cost of LVNs  
(Cost includes Salary, Health & Welfare and Statutory Deductions)
- Provide Supplies and Materials
- Provide Space for Services

Both parties shall share in the development, implementation, monitoring and evaluation of the model while providing mentoring, guidance and professional development of those involved.

Terms

The terms of this MOU will be for 1 year commencing with the 2023-2024 school year. This temporary agreement will remain in force until/unless LVN services are needed for GCOE programs. HUSD will be informed 30 days prior to the termination of these services. After the one-year period, if the MOU is not reinstated, the District will revert to the existing level of LVN support.
