## 2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2022-23 School Overview

The mission of the faculty, staff, administration and Governing Board of Ella Barkley Continuation High School is to provide a comprehensive educational program for all students so that they may have the skills and the opportunity to realize their full potential and, after graduation, become productive and contributing members of society. Each student, regardless of abilities, socio-economic, or cultural background should develop a sense of self-worth, accountability, responsibility, a desire for lifelong learning, and a genuine concern for the welfare and cultural diversity of others.

### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## 2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Textbooks and instructional materials are reviewed and selected according to California State Standards, as well as research-based for alternative education. Textbooks are Board approved.

Other non-approved books are used in instruction. Sections of material from certain books are used to supplement the material being covered. The teacher checks all assignments against the State Standards.

All students have access to textbooks and supplemental materials that are needed to complete their credits. The district has affirmed that each student has their own textbook to use in class and to take home.

An art class is offered in the visual and performing arts.

### School Facility Conditions and Planned Improvements

The school opens before and after school for students who arrive early and have to be late. The school is located adjacent to the Hamilton High School campus. The design of the classrooms is open and appropriate for individual or group teaching. The buildings and gardens are maintained by the District staff and are in good repair, and the bathrooms are functioning properly.

Teachers ensure that teaching students is safe, and that classrooms are kept in good order. A District custodian keeps the facility clean during the afternoons. The school has had the benefit of using the traditional school gym for physical education classes when needed.

The District Library serves the school with more than 7,500 books and a capacity of 15,000. The school has 12 computers connected to the internet used for learning and instruction and a greenhouse that is used by the ROP classes of Ornamental Horticulture. The entire school has access for the disabled. There are two class rooms and an administrative building / offices, all built in 1986. All elements of the School Facilities were inspected on September 20, 2021.

The District participates in the State School Deferred Maintenance Program which provides equal dollar-for-dollar funds to support school districts with their expenses for major repairs or replacement of existing school buildings. Typically this includes roof, plumbing, heating, air conditioning, electrical system, interior and exterior paint, flooring system.

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**  
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
<b>English Language Arts/Literacy</b> (grades 3-8 and 11)	N/A	--	N/A	23	N/A	47
<b>Mathematics</b> (grades 3-8 and 11)	N/A	--	N/A	13	N/A	33

## 2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## 2021-22 Career Technical Education Programs

Career preparation courses and programs include the following: Life Skills, Career Life Planning, and Study Skills. Each year at Ella Barkley High School, students complete a battery of assessments aimed at assisting the student in choosing possible career paths. Students research a number of careers and the education required for those careers in Career Life Planning (CLP), a course offered for all students at Ella Barkley Continuation High School. Elective course offerings also include Environmental Horticulture, Careers with Children, Plant Science, and Animal Science.

## 2021-22 Career Technical Education (CTE) Participation

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2022-23 Opportunities for Parental Involvement

Ella Barkley High School staff believes that parent involvement is critical to student success. Our school offers an open-door policy to its parents.

Parents are welcome to attend their student's classes or take school tours. A visitor's pass and a class schedule can be obtained at the Alternative Education office. Interested parents may contact Maria Reyes, Dean of Students, at (530) 826-3331 or [mreyes@hudschools.org](mailto:mreyes@hudschools.org) or Martha Jaeger at [mjaeger@hudschools.org](mailto:mjaeger@hudschools.org) for more information about ways of getting involved in the school's programs. School hours are from 8:00am to 3:15pm.

## C. Engagement

### State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates;

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Subject	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.00	1.39	2.45
Expulsions	0.00	0.00	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

## 2022-23 School Safety Plan

The HUSD and EBH School Safety Plan of Emergency Operations was adopted by the HUSD School Board on April, 2021. EBHS Faculty participated in the development of the plan and items are regularly reviewed. The School Safety Plan is reviewed and updated yearly. The District's School Safety Plan details Ella Barkley High School's policies regarding transportation, student discipline, emergencies and disaster preparedness, dress codes, and child abuse reporting. This plan is available in the District office for public inspection. An updated updated School Safety Plan was reviewed in Fall 2019 and updated by the HUSD School Board by April 2020. Our district Safety Coordinator regularly provides timely and necessary in-service training for the purpose of prevention, compliance, and, importantly, awareness of issues that may affect our students, staff, and school culture.

For the 2021-22 school year, in-services have largely centered on reviewing and meeting the health and safety protocols needed to best protect students and staff. In the 2019-20 school year, we were fortunate to have a school resource office assigned to Ella Barkley and Hamilton High School on a regular rotation basis, a placement beneficial to the safety of our school and we hope this returns in the near future. In Fall 2018, we had various informational meetings with the Glenn County Sheriff's Office regarding lock-down training and procedures- with consideration of the "fight or flight" procedures- as well as on the mental health SMART program and on internet postings concerning students. Our school safety coordinator keeps us well informed of new safety policies and procedures. Our school staff is provided with regular safety training on a variety of topics germane to Hamilton High School

## 2021-22 Types of Services Funded

Hamilton Unified, in partnership with Glenn COE, offers a complete list of educational services for our community. Categorical programs provided by the District include: Title I, Title III, GATE, Response to Instruction in Reading, Class Size Reduction K-3, extended day for at-risk students, high school tutorial, and summer school. In the 18-19 school year, a music class was added to the master schedule at Ella Barkley taught by the district music teacher.

Glenn County programs include a Youth Employment Services Program, as well as partnerships with the local community college. Glenn County programs also include a complete range of Special Education programs that include speech and language services, resource specialist, and a special day class.

On the Ella Barkley Continuation High campus, the district operates a State Preschool and an Adult Education School.

Glenn County Office of Education and Human Resource Agency also have two other programs on our campus. Through their Department of Child and Family Services, they have a State licensed Preschool and a Family Resource Center.

A school based counseling program is also available for students in need of emotional and mental support. This school based counseling program is a partnership with Glenn County Mental Health Department and Glenn County Of Education, SELPA department. School based counselors are available to meet weekly with students on campus.

## Professional Development

Focus areas for staff development since the 2016-17 school year and current school year are: Safety, continue with Professional Learning Communities, Ella Barkley teachers meet with Hamilton High School teachers on Fridays for Professional Learning Community (PLC). Areas of Professional development were selected based on the needs of our students, particularly the structured English immersion training's which are aimed at improving access to our educational programs for all students. The district continues its focus with the implementation of Common Core State Standards- specifically Integrated Science implementation, and ELD standards for designated and integrated instruction. The HUSD also offers ongoing training's for all teachers in our district for the purpose of ensuring a common educational practice in the HUSD classrooms kindergarten through 12th grade. The high school has teacher-coaches to assist in this process through individual meetings and training's, but also with in-class observation and coaching. Continued training is provided for the implementation of data analysis and data analysis programs with the intent of improving the teachers use of data to inform and improve instruction to help our students achieve academically. Professional Learning Communities were established as way for our teachers fully collaborate, discuss, and seek out solutions to better assist instruction, curriculum, and student achievement.
