Staff Isolation/Quarantine Guidance	
Requirements apply to all employees regardless of vaccination status, previous infection (as applicable), or lack of symptoms.	
Positive COVID Test	**Stay Home:** Isolate for at least 5 days. If asymptomatic or symptoms are improving, staff can test on day 5 and return on day 6 if test is negative. If illness worsens or a staff member continues to test positive - may return after the 10th day.
Close Contact Asymptomatic	**No Quarantine:** Test 3 to 5 days after exposure. *Persons infected within the prior 90 days do not need to be tested unless symptoms develop. Wear a well fitting mask around others for 10 days.
Close Contact Symptomatic	**No Quarantine:** Test as soon as possible. Stay home only if results are positive. If positive, but tests negative on day 5 - may return on day 6. But, wear a well fitting mask around others for 10 days.

2022 COVID-19 Supplemental Paid Sick Leave - *Click here for full poster from DIR* Effective February 19, 2022 and retroactive January 1, 2022 - Expires December 31, 2022	
A full-time employee may take up to 40 hours of leave if the employee is unable to work for any of the following reasons:	
Caring for Yourself: Employee quarantining or isolationing due to COVID-19 guidance by CDPH, CDC, or a local public health officer; or is experiencing COVID-19 symptoms and seeking a medical diagnosis.	
Caring for a Family Member: Employee is caring for a family member who is subject to a COVID-19 quarantine or isolation period by a healthcare provider, or is caring for a child whose school or place of care is closed/unavailable due to COVID-19	
Vaccine-Related: Employee is attending a vaccine appointment for themselves or a family member. *OR* cannot work due to vaccine-related symptoms, or are caring for a family member with vaccine-related symptoms. Subject to limitations.*	
A full-time covered employee may take up to an additional 40 hours of leave, in addition to the above leave, if the employee is unable to work or telework for either of the following reasons:	
The covered employee tests positive for COVID-19.	**The employee is caring for a family member who tested positive for COVID-19.****child, parent, spouse, registered domestic partner, grandparent, grandchild, or sibling.
Part-Time covered Employees: Part-time covered employees may take as leave up to the amount of hours they work over two weeks, with half of those hours available only when they or a family member test positive for COVID-19.
