Re: CTA/Hamilton Teachers Association Request for Financial Information

This letter is in response to your "open records request" ("Request") to the Hamilton Unified School District ("District") dated September 7, 2021. The District interprets your Request to be made under the California Public Records Act ("CPRA"), and will respond to it as such. If our understanding is incorrect, please let us know.

In accordance with California Government Code section 6253.1, the District understands you are requesting a document with the following information and records, preferably in an Excel spreadsheet format:

- A list of all bargaining unit members as of August 2021 payroll

Please notify us if we have misunderstood your Request.

In general, please be advised that only those documents that meet the definitions contained in the CPRA and which are not otherwise exempt from disclosure will be produced. (Gov. Code, §§6252-6255.) In general, the following records, among others, are exempt from disclosure: (1) Preliminary drafts, notes, or interagency or intra-agency memoranda that are not retained by the public agency in the ordinary course of business (Gov. Code, §6254, subd. (a)); (2) Records, the disclosure of which is exempted or prohibited pursuant to federal or state law, including, but not limited to, provisions of the Evidence Code relating to the official information privilege, as well as confidential information (Gov. Code, §6254, subd. (k); Evid. Code, §§1040 & 1060); (3) Records exempt from disclosure under the deliberative process privilege, work product, or attorney-client privilege, or the public interest exemption (Gov. Code, §6255; Evid. Code, §950, *et seq.*; *Citizens for Open Gov. v. City of Lodi* (2012) 205 Cal.App.4th 296, 305); (4) Personnel, medical, or similar files, the disclosure of which would constitute an unwarranted invasion of personal privacy (Gov. Code, §6254, subd. (c)); (5) employee's private contact information (Gov. Code, §6254.3); and (6) any other records exempt from disclosure under Government Code section 6254, *et seq.*, or other applicable law.

Upon reviewing your request, the District has made a good faith effort to determine whether, and to what extent, your request seeks disclosable, non-exempt public records under the CPRA. Without waiving the full scope of any objections that may apply to your Request, please find the attached Excel spreadsheet. Additionally, all requested email addresses can be found on our District website:

www.husdschools.org.

The CPRA only requires production of records which exist at the time of the request, and the District is not required to create records in order to respond to CPRA requests. (Gov. Code, §§ 6252 & 6253; *Sander v. State Bar of California* (2018) 26 Cal.App.5th 651; see also *Haynie v. Super. Ct.* (2001) 26 Cal.4th 1061.) Accordingly, to the extent this Request is seeking an existing document which includes all of the requested information, no such record exists. To the extent you are requesting the District to create such a document, this request is outside the scope of the CPRA.

This concludes the District's response to your CPRA request. Should you have any questions, please do not hesitate to contact me.

Sincerely,

Tiffany Wilhelm
