Dear Fourth Grade Parents,

As you know, fourth graders will be taking the **NYS Science Exam** which has two parts. The performance portion will be administered on **Wednesday, May 22** and the written portion of the test takes place **Monday, June 3**. The *Performance Test* consists of hands-on tasks, which will be completed at three activity stations. The *Written Test* consists of both multiple choice and short answer questions.

GRADES 4 NYS SCIENCE TESTING 2019
Please make sure your child is not late for school on testing days.

Science Performance Exam: Wednesday, May 22

Science Written Exam: Monday, June 3

Parents can help to prepare their children for success by:

- ensuring they get a good night's sleep before each day of testing
- providing them with a balanced breakfast on the morning of the exam
- encouraging them to simply try their best when taking the tests.

Thank you for your continued support.

Sincerely,

Valerie Massimo and Julia Glass (Science Teacher)
