- The English Learners Advisory Committee (ELAC) is dedicated to serving our English Learners and their families.
- We encourage increased parent/guardian engagement throughout our school.
- We welcome participation of parents/guardians in advising the school on the implementation and evaluation of instructional programs for English Learners.
- Meetings will include open communication with parents/guardians and the sharing of information concerning school activities, programs, reports, and policies in the primary language.
- ELAC meets a minimum of 2 times per year for approximately one hour.
