

SCHOOL PLEDGE

Right now, today, this very moment, I am capable of giving myself, the gift of absolute self-assurance, self-belief, and powerful non-stop confidence in myself.

“ TO THROUGH AND BEYOND COLLEGE ”

MESSAGE FROM PRINCIPAL DUNGEY

Our goal this year is to ensure that every student attends school regularly. Our goal is to reduce our chronic absenteeism from 45% to 30%!

We realize some absences are unavoidable due to health problems or other circumstances. But, we also know that when students miss too much school — regardless of the reason — it can cause them to fall behind academically.

Research shows:

- Children chronically absent in kindergarten and 1st grade are much less likely to read at grade level by the end of 3rd grade.
- By 6th grade, chronic absence is a proven early warning sign for students at risk for dropping out of school.
- By 9th grade, good attendance can predict graduation rates even better than 8th grade test scores.

Absences can add up quickly. A child is chronically absent if he or she misses just two days every month!!

Clearly going to school regularly matters!

Here are a few practical tips to help support regular attendance:

- Make sure your children keep a regular bedtime and establish a morning routine.
- Lay out clothes and pack backpacks the night before.
- Ensure your children go to school every day unless they are sick.
- Avoid scheduling vacations or doctor’s appointments when school

Excellence begins with Me

Excellence begins with Me is our theme for this school year. This means that we must all hold ourselves accountable for Glazer to be successful! This includes teachers, students and families!

GOALS FOR THE 24-25 SCHOOL YEAR

PERFORMANCE

- NWEA MAP Growth - 65% of students will meet/exceed their projected growth in reading and math from Fall to Spring
- M-STEP proficiency – increase student proficiency in math and reading by 20% per each content area-(rdg-20%/math 20%-both)- as compared to the previous year
- *PSAT –Increase the college readiness by 20% as compared to the previous year.

ATTENDANCE

- Chronic absenteeism and tardies - Decrease by 15% in comparison to the previous year's rate (both CA and Tardies)
- * Increase ADA - Goal is 95%

INTERVENTION

- Students will have an average mastery of 80% or higher of skills during scheduled intervention time.

EVERY day
counts
attendance matters

Don't let your child get left behind.
Students who miss school, miss out.

- If your child frequently misses school during kindergarten and first grade, they are at risk for delayed reading.
- If your child frequently misses school during the formative elementary and middle school years, they become high risk for dropping out before graduation.
- In fact, good attendance is one of the best predictors – a predictor more accurate than test scores – that your child will graduate from high school, pursue college and keep a job!

SFA Read and Respond

5 classes completed 100% of their read respond and 67% 80% or more!

The School wide Getting Along Practice Apologizing

This week our school-wide cooperative challenge is to practice apologizing. It's important to know what an effective apology looks like and sounds like. A meaningful apology looks like: a caring facial expression and looking at the person to whom you are apologizing.
