Dear Sault Community,

On behalf of the Sault Area Public Schools Board of Education, I wanted to take a moment to thank you all for voting in the recent bond proposal. Even though our efforts to construct a new elementary school did not pass, your participation means a lot.

I want to assure students, parents, staff, and members of the community that despite this setback, we will continue to provide high-quality educational experiences for each student in our care. As always, our commitment is to our students and to ensure that ***Sault Area Public Schools remain a Great Place to Learn.***

Sincerely,
