FERGUS HIGH SCHOOL FIELDHOUSE

From Butte to Billings, Havre to Hebgen, we work 24/7/365 to build stronger communities through the production, generation and delivery of electricity and natural gas. We're proud to make sure your lights and heat come on, but that's not everything we do. We also add critical infrastructure that allows our communities to grow. We partner with people in our communities to increase the reliability of our service. We help customers save money with energy efficiency programs, products and rebates. And we remain committed to decreasing emissions until we reach net zero.

We're passionate about the communities we serve, and meeting the needs of our customers today while working to deliver everyone a **bright future**.

# Welcome

*to Fergus  
High School*

## Montana High School Association

Originally founded in 1921 to regulate athletic competition, the Montana High School Association strives to serve all member schools by governing high school interscholastic activities in Montana. The mission of the MHSA is to assure that the membership is provided with leadership and support in advancing equitable MHSA interscholastic activities for the growth and educational experience for students.

The purpose of the Montana High School Association is to ensure that interscholastic activities in Montana are administered fairly. Policies pertaining to scholastic standing, transfer, awards and other regulations that guide the Executive Board are adopted by the MHSA member schools. The MHSA is a service-based organization.

High school students throughout the state benefit greatly from interscholastic activities programs. These programs are an integral part of the high school experience, and promotion of good citizenship is essential to the growth and to the development of these valuable activities.

Selection of officials for district, divisional and state basketball tournaments will be made by the MOA office using a combination of the following: coaches' input (ballots), individual officials' pool ranking and MHSA/MOA office input.
