FALL TESTING WINDOW

The testing window for all Gifted and Talented academic areas has opened. At this time the Iowa and CogAT tests will be administered to all 3rd Graders the week of November 4-8. Identified 4th and 5th graders will be tested the week of November 11-14.

Auditions for Visual Performing Arts (VPA) have begun and will go through December 13. VPA auditions are for students that would like to be considered for Gifted and Talented in the areas of Visual Art, Dance, Drama and Music. District personnel will periodically be in the building to help prepare students for their audition. More information will be sent soon. Please click the link below for audition requirements in all areas.

VISUAL/PERFORMING ARTS STUDENTS

Students that are Gifted and Talented or in Primary Talent Pool in the Visual Performing Arts areas are currently being serviced by district VPA personnel. These individuals are currently scheduled to be in the school roughly twice a month. Once the audition window closes in December, their meeting time will be more frequent.
