School closings:

When school needs to be closed or shortened because of inclement weather, the Latch-Key program will also be cancelled for the day. In the event of a delay, the morning session will still operate on normal hours. If Latch-Key closes after a delay, parents or a person on the emergency list will be contacted to pick up the child. It is important that parents make arrangements for children in the event of an unexpected school closing. Cancellations will be broadcasted on WLEN FM103.9 or WABJ AM1490. Madison School District uses the BLACKBOARD Connect system to notify you, by phone, of school closings and other events. Your home/cell number will be added to the BLACKBOARD Connect system automatically. It is important to maintain an updated

phone number on record with the school.
