UNITED WAY

Today is the LAST DAY of our United way Fundraising Efforts! We have met our 8,000 campus goal and are SO CLOSE to reaching 10,000 and making Mrs. Fuller sleep on the roof!

United Way of Grayson County is a locally run chapter of the United Way Worldwide umbrella organization and is locally governed. Our United Way was originally formed as the Sherman Community Chest in 1942, amid growing encouragement from the government for folks to support the national War Chest. For those first few years, donations went to the War Chest and local youth organizations. By 1951, the Denison Community Chest and several other local Chests had been formed and were operating to support their cities' organizations. In 1969, the Community Chests came together deciding that collectively they could support the community better together thus transiting to the United Fund of Grayson County. We made our last name change in 1974 by joining the United Way worldwide family and becoming the United Way of Grayson County.
