

GREETINGS FROM MR. GONZALES

Greetings, Tiger Family! It is with great enthusiasm that I bring to you the first entry of the 24-25 Hahnville High School Newsletter! Elizabeth Bourgeret once said, "Communication is the lifeline of any relationship." On behalf of the HHS faculty and staff, we look forward to dialogue about our continued successes!

The 24-25 school year is off to a tremendously successful start! With the devastating challenges of our past (mostly) in the rearview mirror, we are excited to set our sights on the future! Much planning, preparation, reflection, and hard work have already gone into preparing for a successful school year; I am eagerly anticipating the great strides we will make over the coming months. This initial entry comes from a place of profound gratitude, as I remain humbled and honored to have the opportunity to lead a school with a rich history and established tradition of excellence. This year, we will continue to solidify our core values of **Growth, Integrity, and Pride** via our 24-25 theme, "Prepare Today. Thrive Tomorrow." Those three yet simple statements entail what it means to be an HHS Tiger. As a Tiger Family, we appreciate the opportunity to recognize our progress as we remind ourselves "While I may not be where I want to be yet, I am better than I was yesterday." We strive to do what is right for the good of the school and community, regardless of how uncomfortable it may be. Lastly, we take joy in recognizing the fruits of our labor and the outcome of our hard work, both as an individual, and as a collective. With every interaction, I am reminded of the tremendous passion and potential that lies within. Please share my excitement for what the 24-25 school year will bring!

This school year marks an exceptionally special chapter in the story of Hahnville High School, as this year marks the Centennial celebration. Join us as we proudly mark 100 years of excellence at Hahnville High School! Since 1924, our purple and gold pride has roared with the spirit of the Tigers, and we're thrilled to celebrate a century of tradition, achievement, and community. From our humble beginnings to becoming a cornerstone of education and excellence in the community, our school's roots run deep, and the current successes are built on the strength of our students, staff, and alumni. As we reflect on a century of memories and milestones, we invite you to honor our past and embrace the future with the same Tiger spirit that has defined us for 100 years. Here's to a century of tradition and many more to come! Be on the lookout all year long as we devise innovate ways to celebrate #100yearsoftigerpride!

As we continue to realize our potential, I would like to take an opportunity to remind our family that after school HELP (Hahnville Extended Learning Program) has already begun for the 24-25 school year. Please encourage your child to take advantage of receiving one-on-one tutoring from our certified teachers, as well as engage in virtual tutoring. Through the use of the virtual portal, nearly all classes will have a tutoring session available. This is also an excellent opportunity for students to make up tests or assignments they may have missed. It is held on Monday-Thursday until 4:30 p.m. with transportation provided. If you have a concern which may impact your child's success, or if you have a question, please communicate with your child's teacher, counselor, administrator, or myself. Proactive communication is key! Be sure to stay up-to-date on your child's progress! His or her grades and attendance can be viewed via the PowerSchool Parent Portal at <https://stcharles.powerschool.com/public/home.html>.

Thank you for giving us the privilege and joy of teaching your child as part of our HHS family. I look forward to working with you as we partner to guide each HHS student in becoming the young man or woman they wish to be.

Remember, YOU are a part of the Tiger Family! We are **Fierce. Noble. Strong. Together!**

Counselors' Corner

Seniors, be sure to check the “Counselor” section under “Academics” on the HHS website as well as the Counselor Google Classroom for important college and scholarship information.

Senior and Graduating Junior parents, the counselors have begun meeting with all seniors to give them important senior information. The first step is to create an FSA ID for the student and one for the parent that will be completing the FAFSA with the student. If your student plans to attend college, it is important to complete the 2025-2026 application since that is when your student will attend college. Please review all of the important information your senior was sent home with in order to successfully submit the FAFSA. We will have a representative here from LOSFA at HHS on Thursday, October 24 from 2-6pm to assist with questions completing the FAFSA. It does not open until December 1st this year but you are welcome to come and talk with them.

9th-11th grade parents please know that planning for the next school year will begin soon and we will start meeting with students to have them start the elective course choices for 2025-26 school year. It is always helpful when you take the time to review the “Course Catalog” with your child and evaluate which electives he/she would like to take. This document can be found online under “Academics”. If you would like to schedule a meeting about scheduling for your student, please email your student’s counselor to set that up. The list is below along with the email for the counselors. The schedule to begin meetings for scheduling is 9/30/24-10/4/24 will be meeting with current juniors. Sophomore/Freshman will take place from 10/21/24-10/25/24. We will be sending a link to set up an appointment time for the parent to join in the scheduling meeting with the student.

The counselors now have a Kiosk at lunch every day during both lunches. Remind your students to come and stop by to ask questions or get information.

Please make sure your students have joined the correct Counselor’s Google Classroom. The counselors will use their Google Classrooms this year to post important information and reminders to the students. If your student needs a Google Classroom code, please have them stop by the counseling office or email their counselor.

Safe Schools with Coach Boyne

Safety is our top priority here at Hahnville High School. We value the safety of our students and employees, and we will do everything possible to ensure that we protect our students, employees, and visitors. As such, we wanted to remind you of some of our safety initiatives:

- 1: Students, employees, and school visitors must wear ID badges at all times.
- 2: Students are not allowed to have or use their phones during instructional time. It is now a state law. If students are seen with their phones, they will be confiscated.
- 3: Students are not allowed to wear any garments with a hood attached to them; if seen, these garments will be confiscated from students and returned to the students at the end of the school day.

STUDENT/FACULTY HIGHLIGHTS

Student of the Month

Congratulations to the following students who were chosen as **"Student of the Month"** for the month of August: Freshman — Spencer Fontenot, Sophomore — Khalen Payton, Junior — Leila Deleon. Not Pictured: Senior — Evan Bartolo

Employee Spotlight

Congratulations to Richard Abarr who was chosen as HHS August Teacher of the Month! And congratulations to Leola Thomas who was chosen as HHS August Staff Member of the Month!

SSC Recap

Our SSC groups participated in back to school activities such as reviewing expectations and club and team introductions. There also quite a few opportunities for the students to get involved in decision making for the school. **Seniors voted for homecoming court and senior favorites. SSC's nominated a student to be the ambassador for each SSC.** Students voted for a name for the student section: The Tiger Den. They also submitted **nominations for our new attendance slogan. The winner is Arrive and Thrive, submitted by Mrs. Kim Lusco's SSC.** Students also voted for which types of dress down day themes they would like to see.

Senior Sunrise was a tremendous success! The seniors enjoyed doughnuts and iced coffee as they watched the sun come up!

Mental Health Corner

MENTAL HEALTH CORNER

HERE ARE A FEW TIPS TO REDUCE BACK-TO-SCHOOL ANXIETY, STRESS, AND BEHAVIORS THAT CHILDREN AND THEIR PARENTS CAN ENGAGE IN TOGETHER. REMEMBER THAT CHILDREN PAY MORE ATTENTION TO WHAT WE DO AS ADULTS, NONVERBAL BEHAVIORS, RATHER THAN WHAT WE SAY.

<p style="text-align: center;">KEEP CALM</p> <p>Teach your child to take deep breaths to calm themselves, slow down, and prepare as much as possible the night before school. A child that is less rushed in the morning is more likely to feel prepared for the day.</p>	<p style="text-align: center;">START A HEALTHY ROUTINE</p> <p>A nutritious diet, exercise and good sleep are all important. Children need a routine and do well with a structured schedule. Make sure your child has time to eat breakfast to start his or her long school day with energy.</p>
<p>4 WAYS TO SUPPORT STUDENTS RETURNING TO SCHOOL</p>	
<p style="text-align: center;">CREATE SPACE FOR OPEN COMMUNICATION</p> <p>Talk with your child and be tuned in to his or her thoughts, concerns and feelings. Answer their questions. Share important information with your kids so there are no surprises that can cause frustration.</p>	<p style="text-align: center;">LOOK FOR WARNING SIGNS</p> <p>If your child's mood or behavior changes, or his or her sleeping and eating schedule is off, talk it over with your child. Be curious and ask questions. Offer support where you can and seek professional help if necessary.</p>

Attendance Matters with Ms. Martin

Showing up for school has a huge impact on a student's academic success. Even as children grow older and more independent, families play a crucial role in ensuring students get to school every day and understand why attendance is so important for success in school and on the job.

DID YOU KNOW?

- Absenteeism in the first month of school can predict poor attendance throughout the school year. Half the students who miss 2-4 days in September go on to miss nearly a month of school.
- Research shows that missing 10% of school, or about 18 days in most school districts, negatively affects a student's academic performance. That's just two days a month, and that's known as chronic absence.
- When students improve their attendance rates, they improve their academic prospects and graduation chances.
- Visit www.attendanceworks.org to learn more about the importance of SHOWING UP EVERY DAY!!!

Notice: In 1986 all asbestos materials were identified in all school buildings. A management plan was developed for each school as per the Asbestos Hazard Emergency Response Act (AHERA). The management plan is located in a binder in the main office of each school. The binders are available for review upon request.

Since the plan was developed, most of the asbestos has been removed. In a few buildings, some floor tile still remains that contains asbestos. All of the schools meet the health requirements that pertain to the regulation. If you have any questions concerning this topic, please contact Kevin Barney, Director of Physical Plant Maintenance at 985-331-3600 between the hours of 7:00 a.m. and 4:00 p.m.

Message from SCPPS:

Due to federal regulations, HHS is responsible for notifying you annually of the Asbestos Hazard Emergency Response Act (AHERA) management plan at your school.

*In compliance with Title VI, Title IX and Section 504 of the Rehabilitation Act of 1973, this Educational Agency holds the following policy:
