

St. George's Episcopal School

Kindergarten - 2nd Grade Summer Review

Phonemic Awareness: The following link will take you to the Heggerty Phonemic Awareness Website. This gives you six weeks of phonological and phonemic awareness lessons for reinforcement of skills during the summer.

<https://heggerty.org/summer/>

Trick Words: Our Foundations phonics program has a list of trick words for each grade level. These are words we will learn to read and spell. They are called trick words because they are not words you can sound out.

Level K

Reading: The local libraries in our area have fantastic summer reading programs. Taking advantage of these programs and checking out books will keep your child reading during the break.

Math:

<https://home.xtramath.org/families>

XtraMath is an online math fact fluency program that helps students develop quick recall and automaticity of basic math facts. Students with a strong foundation have greater confidence and success learning more advanced math like fractions and algebra.
