DAKOTA HIGH SCHOOL STUDENTS TO VOLUNTEER TO RAKE LEAVES IN NEIGHBORHOOD YARDS

It seems a rule of nature each fall that once the trees start shedding their leaves and lawns are shrouded in undesirable debris, as soon as you rake up the discarded foliage from one molting timber, the next is sure to drop its own, leaving an even grander assemblage of forsaken fronds in its place.

- WHAT:** Volunteer Leaf Raking
WHEN: **Thursday, November 7** from 12:30 p.m. to 2:30 p.m.
WHERE: Houses near Agassiz, 1305 9th Avenue South, Fargo
Please reach out to Amy Stoa on Thursday for exact locations
CONTACT: **Amy Stoa**, Dakota positive behavior technician, stoaa@fargo.k12.nd.us or 701.466.3032 for more information.

Dakota High School students are picking up their rakes and lending a hand to the school's neighbors as they volunteer to help clean up leaves at houses near the Agassiz Building on Thursday.

The students hope to visit multiple houses in the area to clean up yard waste over the course of two hours on Thursday afternoon.

Dakota Positive Behavior Technician Amy Stoa has handed out flyers around the neighborhood to gauge interest in having the students help with autumnal yard cleanup. If interest in help is high, they will conduct a drawing to see which lucky houses will be visited by the helpful students.
